## COMPANY VISION:

*Dear Valued Customers,*

*WATSAN Engineering Services is a high-tech engineering & water sanitation company involved in manufacturing, engineering and trading business and committed to provide our customers with the highest level of quality products & services.*

*Here we present to you our company leaflet that will provide you with thoroughly glance at our capabilities, attainments and business philosophy.*

*The discern feature of ours is that we care about our customers. We never compromise on quality or integrity and we are committed to teamwork and innovation. The best reflection of our approach is the fact that we have a perfect 100% customer satisfaction rate.*

*We are looking forward to expand our business with leading Industrial manufacturing concern organizations, housing residential project, Construction Companies, infrastructure development Projects and NGO's as well as in Government Departments.*

*We hope our leaflet provides you with all the necessary information. If you have some valued inquires or need assistance please feel free to contact us at any time.*

*Best Regards,*

*Imran Latif  
Manager Business  
WATSAN Engineering Services*

## COMPANY INTRODUCTION

WATSAN Engineering Services involve in supplying and installation of HDPE Butt Fusion, Compression and MS Fittings, SS and all other related accessories for drinking water, Gas Pipes, Irrigation, Compressed Air Piping, Fire Hydrant, Water treatment, Waste water treatment, Industrial waste, and process pipe lines, Commercial and Residential Projects since 2010. We import fittings from different origins i.e. Germany, Turkey, USA, and China and specific customized products against user requirement.

## SERVICES OFFERED

### *Our Products and Services include:*

- Importer, Stockiest & Suppliers of Fittings, Butt fusion, Electro-fusion & Socket fusion 20-800mm.

- PE Butt fusion & Socket fusion & Electro fusion Machine & Accessories from 20mm to 1000mm.

- PE Compression Fitting importing from Turkey and Italy. PE Butt fusion fitting importing from Germany from 20mm-110mm.

- Complete piping & pumping system for Infrastructure /Public Health water supply & waste water.

- Compressed Air piping for Industrial Projects all over the Pakistan.

- Development & Construction of turnkey Piping system in residential housing projects.

- Industrial Process pipeline, Drinking water & Waste water Treatment Plant
- Supply and Installation for all types of thermoplastic Piping system for any type of Application.
- Importer Stockiest & Supplier of HDPE Pipe &Fittings, MS Pipe Fittings & Valves, SS Pipe Fitting & Valves, UPVC Pipe & Fitting, PPRC Pipe & Fittings.

- Piping system for Water Softening Plant.

- Industrial/Residential Fire Hydrant System complete with piping and pumping system.
- Automobile Compressed Air Pumping for Assembling System.
- Hydrostatic & Pneumatics Pressure Testing of Pressurize Pipelines.
- Repair of all types of piping system by Butt fusion, Electro-fusion & Socket fusion, Repair Clamp & Couplings.

- Selection of material & diameters of Pipes according to customer's specific requirements in House & at Site.
- Complete Design & review of Piping system

## **THE MANAGEMENT**

The Management of the Company has executed a number of projects in Government, semi Government, Private sectors and industries. Our team is fully equipped with the latest technologies.

## **TECHNICAL & SALES STAFF**

With a team of young and experienced engineering & Business oriented experts, creative, dynamic & dedicated professionals, we have pushed all areas of management to new frontiers.

## PAKISTAN ENGINEERING COUNCIL CERTIFICATE

Serial No. **337418**  
PEC-11

### PAKISTAN ENGINEERING COUNCIL

License No: **46666** Category: **C6** Validity: **31<sup>st</sup> December, 2015**

#### LICENCE OF PAKISTANI CONSTRUCTOR/OPERATOR (Under the bye-laws of Pakistan Engineering Council 1987)

This is to certify that M/s **WATSAN ENGINEERING SERVICES** (Licensee), with its registered office at **H# 9 ST# 5/A MADINA TOWN NEW SHAKRIAL RAWALPINDI** has/have been licensed under Construction and Operation of Engineering Works Bye-laws 1987, until the validity date to construct/operate engineering works, the construction/capital cost of which does not exceed Rs. **20 (TWENTY) million** provided the licensee fulfils all the qualification requirements prescribed by Client or Employer for a particular engineering work; and subject to the licensee continuing to fulfill all the requirements of the bye-laws.

Field of Specialization **C-6(11) - (ONE ONLY)** (Specialization Code Nos. for detail see overleaf)

Date of Issue : **December 11, 2015**  
(Islamabad)

Registrar  
Pakistan Engineering Council,  
Islamabad

- Note:**
1. This license is valid upto 31-12-2015 and shall be renewed before 31st March 2016 without late payment surcharge. However, application for 2016 for renewal may be submitted to the Council after 5th November, 2015.
  2. The employer must ensure employment of engineers whose names are mentioned on backside of the license. The Consulting Engineer (the Engineer Incharge in case the consultant is not appointed) shall monitor the number of engineers employed by the Constructor/Operator and inform the Council accordingly.
  3. Owner(s) of the firm shall be held responsible, if any information, document or paper submitted by him/them is found incorrect or forged.

## SUCCESSFULLY EXECUTED PROJECTS

### **Samin Textile Mill Ltd.**

#### **Scope of Works and Services:**

1. Compressed Air Piping for Air Jet Looms 280, replace with existing MS Pipe and fittings due to badly rusting and client facing problem for maintenance in machines.
2. Replacement of MS Pipe compressor room headers with PE Pipe during production with minimum shut down.
3. New connection from PE Air pipes to Air jet looms 1” dia including valve and flexible pipes.

### **Shafi Texcel Ltd:**

#### **Scope of Works and Services:**

1. Process Piping of water for finishing department.
2. Water softening /water treatment plant piping with header of water.
3. PE piping for air jet in finishing department and cloth folding area.

### **Cotton Web (Pvt) Ltd**

#### **Scope of Works and Services:**

1. Complete PE Piping for new industrial waste water treatment plant in dying unit and successfully operational.
2. PE pipe & fittings for waste water treatment plant.
3. Industrial waste water piping newly built in dying process area.

## **Ihsan and Sons (Pvt) Ltd**

### **Scope of Works and Services:**

1. Supply and fixing of PE Pipe and fittings for Water softening Plant.
2. Supply and fixing of PE Pipe 200mm from tube well to overhead tank with all fittings and operational successfully at site.

## **Rajby Textile Mills (Pvt) Ltd**

### **Scope of Works and Services:**

1. Complete turkey project for Supply and installation of PE Pipe and fittings for Compressed Air piping.
2. Fabrication and installation of PE Pipe with wall mounted bracket and supports.
3. Fabrication and erection of MS Channel supports and Clamps for horizontal pipe clamping for making connections to Looms.
4. Main Connection from compressor room pipe to loom shed area including butterfly valves and couplings.
5. Connections with looms from 110mm line to 32mm dia with air jets looms.

## **Tara Imperial (Pvt) Ltd**

### **Scope of Works and Services:**

1. Supply of PE Pipe & Fitting of Chemical Pipes.
2. Supply of PE Compression Fitting for water supply line.
